

# Passenger Terminal Isle of Man

Routes on and off the Isle of Man by sea take passengers through the Sea Terminal in the capital of the Island, Douglas. Ferries take thousands of foot passengers and vehicles to and from Heysham, Liverpool, Dublin and Belfast every week.

Light boxes throughout the terminal can be seen by over 600,000 travellers per year, and cost from just £750 per annum. Branded luggage trolleys are also an ideal way to get your company noticed.
